Internship Offer Letter

Date: January 6, 2025

Dear Aditya,

Congratulations on this new opportunity. We are very excited to offer you an internship role within the development department of Webdroid, starting on January 6, 2025. You will be reporting to our HR Manager.

Position Details:

- **Position:** Machine Learning Engineer Intern
- **Duration:** 6 month
- **Start Date:** 06/01/2025
- **End Date:** 30/06/2025
- **Location:** Nagpur
- **Work Mode:** Offline

As a Machine Learning Engineer Intern, you will be responsible for:

- Collecting and cleaning raw datasets from various sources.
- Performing exploratory data analysis (EDA) to understand data distribution and detect anomalies or missing values.
- Preprocessing data, including normalization, scaling, encoding categorical variables, and splitting datasets.
- Implementing machine learning models using frameworks like NumPy, Pandas, TensorFlow, PyTorch, or Scikit-learn.
- Fine-tuning hyperparameters to improve model performance.
- Evaluating models using metrics like accuracy, precision, recall, and F1-score.
- Assisting in deploying models into production environments.
- Collaborating with software developers to integrate ML models into applications or services.

WEBDROID EDUTECH LLP

CIN: AAQ-9422 | AN ISO 9001:2015 CERTIFIED

Working Hours:

The standard working 6 hours per day, from 10:00 am to 4:00 pm, Monday to Saturday. Flexibility in working hours may be required based on project deadlines and team requirements.

Mentorship and Learning Opportunities:

During your internship, you will have the opportunity to work closely with experienced professionals in the field. You will receive regular feedback and guidance to help you grow your skills and gain practical experience.

Confidentiality:

As a part of our team, you will have access to proprietary and confidential information. You are expected to maintain the confidentiality of all company information and not disclose any information to third parties without prior consent from the company.

Please note that this is an unpaid position, so you will not receive wages or company sponsored benefits. However, depending on performance, we may be able to offer you a paid position at a future date.

Please don't hesitate to reach out if you have any questions about this position. We look forward to your continued growth within your education and career and are excited about the impact you'll make at our company.

Sincerely,

Khushbu Pardhi
